# INTRODUCTION

**ABLE** was created after analysing the synergies generated within the INV GROUP, with the aim of offering our clients a greater number of services. The aim is to optimise resources and thus be able to offer our clients the widest possible package of services at the lowest possible cost that the market allows.

Here is the **organisation chart** of the INV GROUP companies.

# HOW WE OPERATE

**ABLE** works like a well-oiled machine, maintaining fluid and direct communication between its clients and the different teams in its three work centres, thus offering a wide range of services with the maximum guarantee of quality.

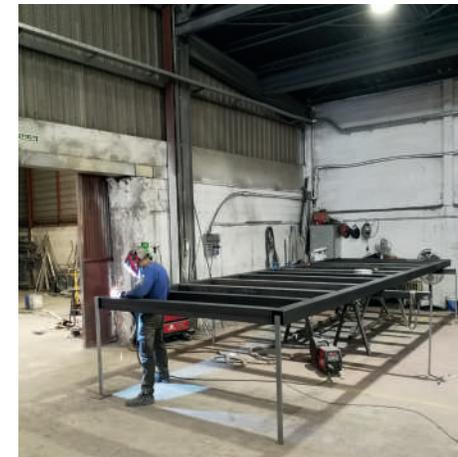

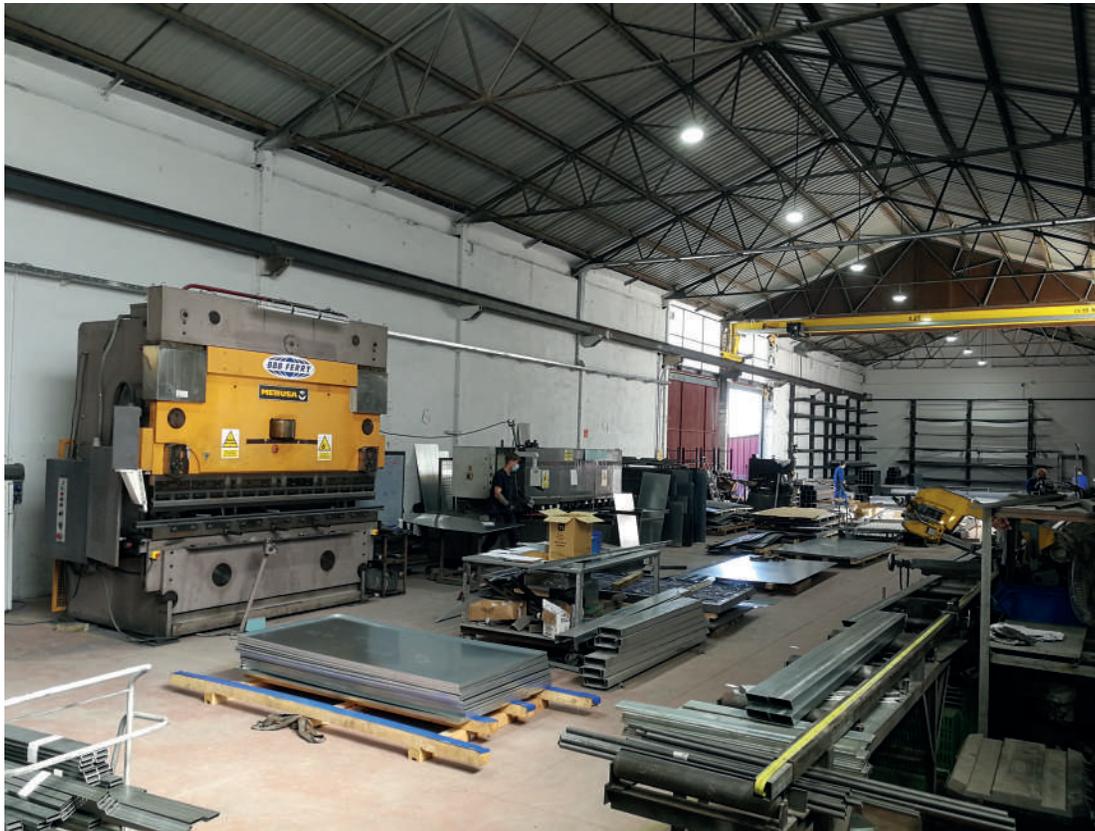

**ABLE** covers the largest number of trades with its own resources, in a coordinated manner, in order to achieve 90% non-dependence on third parties and to provide the best service and the greatest transparency to its clients.

**OBJECTIVE:** to cover any need that may arise for its customers and thus become a single supplier.

## FACILITIES IN CUBAS DE LA SAGRA

**ABLE's** facilities in Cubas de la Sagra have more than 20,000 m<sup>2</sup>, divided into four industrial buildings and offices, with the necessary machinery for the development of its activity.

## FACILITIES IN ARGANDA DEL REY

**ABLE's** facilities in Arganda del Rey have 5,700 m<sup>2</sup> distributed between workshops for manufacturing, storage, digital printing, signage, technical office and administration.

## OFFICES IN BARCELONA

**ABLE's** offices in Barcelona manage all the company's activities and services in Catalonia.
